

OVERNIGHT BOARDING

Prior to boarding we need to have a completed Boarding Agreement, Client Information Sheet and current vaccinations. Evaluations will be done on day of arrival, because we have a smaller environment we can take our evaluations nice and slow. If your dog is not social or has special needs we can still accommodate your pets.

While staying overnight your pets will enjoy the following amenities:

- Cage free play yards
- Safe relaxing environment
- Indoor climate control resting areas
- Separate indoor/outdoor areas for anxious, fearful or cranky guests
- Daily sanitation routines
- Guests can bring a favorite blanket or toy
- All day play is included in overnight price
- Discounts for same-family dogs
- No additional charge for our house food or to feed your own food
- No additional charge for giving medications
- Discount for extended stays 30 days or more
- Personalized exercise/play sessions upon request
- Separate big dog and little dog yards
- All staff members are extensively trained in dog behavior, pet first aid and CPR
- Each dog is required to pass an evaluation before being allowed in the cage free yards
- All guests must be current on vaccinations and be on some form of flea/tick treatment
